Subject: Local income tax certifications for calendar year 2015

The State Budget Agency has issued updated 2015 certified distributions of local income taxes to reflect rate changes that occurred since the September 30, 2014 certification.

The updated certifications can be found on the State Budget Agency's website using the following link: http://www.in.gov/sba/files/2015_Certification_Calculations.pdf.

This release includes all of the known LOIT rate changes for CY 2015. Counties that have not made a rate change for 2015 will see no changes since the September certifications. The amounts released today are only different for counties that submitted an ordinance through Gateway in October 2014.

Local officials can assist the State Budget Agency in finalizing the CY 2015 certified distribution amounts by verifying the accuracy of the rate information presented here.

Communications with the State Budget Agency regarding LOIT should be directed to Eric Bussis at (317) 232-3471 or ebussis@sba.in.gov.
